Memorandum of Understanding (MOU) between SD Mahila Mahavidyalaya Narwana and Goswami Industries

We are pleased to announce the signing of a Memorandum of Understanding (MOU) between SD Mahila Mahavidyalaya Narwana and Goswami Industries, located on Hisar Road, Narwana. The MOU signifies a mutual agreement to collaborate and foster academic-industry partnerships for the benefit of students and the local community.

Parties Involved:

SD Mahila Mahavidyalaya Narwana

Goswami Industries, Hisar Road, Narwana

Proprietor: Mr. Manoj Goswami

Purpose:

The primary objective of this MOU is to establish a framework for cooperation between the academic institution and the industrial entity to enhance skill development, promote research and innovation, and facilitate knowledge exchange in relevant fields.

Key Areas of Collaboration:

Skill Enhancement Programs: Goswami Industries will provide internship opportunities, workshops, and training sessions to students of SD Mahila Mahavidyalaya Narwana to enhance their practical skills and exposure to industrial processes.

Research and Development: Both parties will explore opportunities for collaborative research projects aimed at addressing industry challenges, fostering innovation, and contributing to socio-economic development.

Guest Lectures and Industry Visits: Goswami Industries will organize guest lectures by industry experts and facilitate educational visits to their facilities, allowing students to gain insights into real-world applications of their academic knowledge.

Placement Assistance: Goswami Industries will actively participate in campus recruitment drives and provide job opportunities to qualified graduates from SD Mahila Mahavidyalaya Narwana, based on mutual suitability and requirements.

Benefits:

Students will gain practical experience and industry exposure, making them more competitive in the job market.

Goswami Industries will benefit from access to a pool of skilled and knowledgeable graduates who can contribute to their workforce.

The collaboration will foster innovation and research advancements in relevant fields, benefiting both academia and industry.

Enhanced synergy between academia and industry will contribute to the overall development of the local community and economy.

Implementation Plan:

Both parties will establish a joint coordination committee to oversee the implementation of collaborative activities outlined in the MOU. Regular meetings will be held to review progress, address challenges, and explore new opportunities for cooperation.
