Memorandum of Understanding (MOU) between SD Mahila Mahavidyalaya Narwana and Singh Gyaan Food Processing

Introduction:

A Memorandum of Understanding (MOU) has been established between SD Mahila Mahavidyalaya Narwana and Singh Gyaan Food, aiming to foster collaboration and synergy between the educational institution and the food processing company. This MOU signifies a commitment to mutual cooperation, knowledge exchange, and skill development in the field of food processing.

Parties Involved:

SD Mahila Mahavidyalaya Narwana: An esteemed educational institution known for its focus on women's education and empowerment. The college offers various undergraduate and postgraduate programs, including courses related to food technology and nutrition.

Singh Gyaan Food Processing: A prominent player in the food processing industry, specializing in the production of high-quality food products. The company is dedicated to innovation, quality assurance, and sustainable practices in food processing.

Purpose of the MOU:

The primary objectives of the MOU between SD Mahila Mahavidyalaya Narwana and Singh Gyaan Food Processing include:

Academic Collaboration: Facilitating collaboration between faculty members, researchers, and experts from both institutions to exchange knowledge and best practices in food processing.

Skill Development: Offering training programs, workshops, and seminars for students to enhance their practical skills, industry knowledge, and employability in the field of food processing.

Research and Development: Encouraging joint research projects, experimentation, and innovation in food processing techniques, food safety, and product development.

Opportunities:

Organizing workshops for students to gain hands-on experience in food processing facilities and fostering potential employment opportunities within Singh Gyaan Food Processing.

Terms and Conditions:

The MOU between SD Mahila Mahavidyalaya Narwana and Singh Gyaan Food Processing outlines the following terms and conditions:

Duration: The MOU shall remain in force for a period of 3 years.

Governance: A joint committee comprising representatives from both institutions shall oversee the implementation of the MOU and monitor progress regularly.

Confidentiality: Both parties agree to maintain the confidentiality of any proprietary information shared during the collaboration.

Termination: Either party may terminate the MOU with prior written notice if the terms of the agreement are not adhered to or if circumstances necessitate termination.

Conclusion:

The establishment of this MOU between SD Mahila Mahavidyalaya Narwana and Singh Gyaan Food Processing marks a significant milestone in promoting academia-industry collaboration and fostering skill development in the field of food processing. Through joint efforts, both institutions aim to contribute to the advancement of knowledge, technology, and practices in the food processing sector while nurturing talent and empowering students for future endeavors.

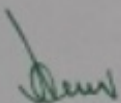

DISPUTE RESOLUTION

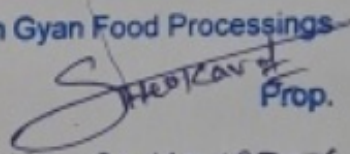

Any disputes arising from this MOU shall be resolved through amicable negotiations between the institutions.
