Report on Risk Management Perspective Certificate courses

Session:-2022-23

Certificate courses are a great value addition to the affiliating University curriculum. They widen the area of curriculum and strengthen the content in the curriculum. The institution duly recognises the key role of certificate courses in enhancing the skills of the PG students; therefore the college offer a certificate course on Risk management perspective. Students got enrolled into the course as per schedule and time table. During the course one formative assessment test was conducted to monitor the student's progress and provide feedback for improvement. A summative assessment test is conducted for a total of 40 marks with 25 marks as the qualifying marks. In the assessment test all students scored qualifying marks. All the qualifying students are given certificate of achievement.
